

NIGHT VISION GOGGLES

NIGHT COUGAR

Geared toward the civilian market this true hands-free goggle system gives that weekend warrior in your life the fun that s/he craves without spending a fortune, with all the features that you come to expect from ATN. High quality optics combined with the best Image Intensifier Tubes all at a great price is what we are known for.

The Night Cougar is a light weight dual eye/tube goggle system that is comfortable to wear and easy to use. Powered by two high quality 1st. Gen+ image intensifier tubes and using fast precision optics the Night Cougar has one of the clearest and brightest images available in a 1st Gen.+ goggles. Combine all of the above with a built in infrared illuminator that lets you see in total darkness and you will be on your way to exploring even the darkest of places.
